### "COMMUNITY EVENTS" RETURNS

This week marks the return of Community Calendar insert that is produced by Rosa at the Town of Eastend office. In the 13 years that the Eastend Echo has been in print, we have featured different versions of the community calendar. If any one remembers, there used to be a column on the back page of the Echo. Rosa does 1000% better at it than I did way back then, that's for sure. Take a look at this flashback from 10 years ago. Here is the back page from Mar 5, 2014.

Look at the tiny little Community Calendar down there at the bottom. I also don't remember that I used to only include 2 sudoku puzzles a week. I notice this was also before I included the solution to the word find. If I remember, there was a puzzle that had the bottom row of letters cut off, making it impossible to solve find all of them. You won't find those kind of mistakes in the Echo these days, I'm sure.

### CATCH WEATHER WOLF AT THE LIBRARY

## 2024 CHANGES TO SGI SERVICE LINE

HSB Canada currently offers SERVICE LINE coverage for homeowners to a limit of \$10,000 coverage for the service lines that connect a home to outside utility lines(underground: pipes, propane or natural gas lines, and electrical service and data lines) on the customer's property if any of those lines fail or are accidentally damaged.

Starting in 2024 at renewal time of existing home policies, the limit for any service line older than 50 years will be reduced from \$10,000 to \$2,500.

- If several service lines on the property are damaged in the same incident, a customer can make a claim of up to \$10,000, with a limit of \$2,500 each for lines that haven't been replaced for 50 or more years.

- This coverage limit is tied to the age of the service line, not the age of the home. If a line on the property was installed or replaced within the last 50 years, it may still be covered to \$10,000.

Talk to your broker to see how this affects you.
