ANNUAL STEGNER HOUSE CELEBRATION & FUND RAISER SATURDAY, MARCH 16

Eastend Arts Council is holding their annual fund raising event at the Eastend Memorial Hall. This year's fund raiser features musical entertainment by Stegner resident Cori Brewster, and a presentation of by a home grown expert. Donny White is a former resident of Eastend. He is photo historian & possesses a wealth of knowledge of southwest Saskatchewan. He has worked extensively with the Esplanade in Medicine Hat and the Jasper Cultural and Historical Centre in Maple Creek. Mr. White will be showcasing a collection of rare historic photos. Of course, as it is a fund raiser you can expect great silent auction items including; books, pottery, art and a 14x24" Historic Photo of Z-X House & Barn up for auction!! This is going to be a stellar evening that is both entertaining and informative. I would be surprised if this event isn't going to be sold out very quickly. Tickets are \$50 are available at Krankys and online at Eventbrite.

KIDS: PLANT TREES WITH THE EASTEND LIBRARY

Eastend Library has teamed up with Neighborhood Forest to bring FREE trees for children to plant! This is a great way to plant seedlings, they are FREE, they will add greenery and so much more for the community and areas around Eastend. All registrations have to be in by March 15, it's so very easy, pick ups will be at the Library in time to celebrate Earth Day/Week.

SKATING CARNIVAL SUNDAY

The Eastend Skating is having their annual Skating Carnival this coming Sunday at 2pm. The public is very welcome to come and show their support. Guest skater is Damien Bueckert, and yours truly will be in the announcer's booth

EASTEND MS WALK MAY 26, 2024

The clock has begun. Time for Walkers to register and start getting names of sponsors for the MS Walk happening on May 26. It might seem far away, but the time can slip away so fast. The fact is that Saskatchewan has one of the highest rates of MS in the entire world! (<https://pubmed.ncbi.nlm.nih.gov/29557321/>). According to the MS Society website, the society donates "approximately \$10 million in research to support studies that investigate all aspects of MS both biological and clinical.". The MS Society also provides direct and personal assistance to people with MS, including we programs and services for physical and mental wellness, peer support, equipment assistance, and education directly to the community. Most of us know someone who has been diagnosed with MS or is affected by it. The Eastend MS Walk is now being run and organized by Donovan Henrion from Shaunavon. Type "MS Walk" into your internet search engine and find the "Eastend MS Walk" to donate or register and support this fine cause.

2024 CHANGES TO SGI SERVICE LINE

HSB Canada currently offers SERVICE LINE coverage for homeowners to a limit of \$10,000 coverage for the service lines that connect a home to outside utility lines (underground: pipes, propane or natural gas lines, and electrical service and data lines) on the customer's property if any of those lines fail or are accidentally damaged.

Starting in 2024 at renewal time of existing home policies, the limit for any service line older than 50 years will be reduced from \$10,000 to \$2,500.

- If several service lines on the property are damaged in the same incident, a customer can make a claim of up to \$10,000, with a limit of \$2,500 each for lines that haven't been replaced for 50 or more years.
- This coverage limit is tied to the age of the service line, not the age of the home. If a line on the property was installed or replaced within the last 50 years, it may still be covered to \$10,000.
