This Week Triways is picking up
RECYCLING
in the BLUE bins

SKATING CARNIVAL MARCH 9TH

The Eastend Skating Club will put on their annual Carnival on March 9th at the rink. You'll see the youngest skaters concentrating on staying upright, and the senior skaters leap and fly and spin like pros. It is really amazing to see the world of difference from the kids just starting the program, to the ones near the end of it. It happens through hard work and practice, and the skating club will be raising funds with 50/50 raffle tickets to offset the rink and instructor costs.

COMMUNITIES IN BLOOM TAKING OVER EASTEND'S RECYCLING BIN

Communities in Bloom has taken over the recycling depot located at the Town Square from Eastend Arts Council. They will use the recycling bin to help raise funds for the work this volunteer group does to beautify The Town of Eastend. This seems like a very good time to provide an article about the history of the recycling project which has been in operation for a long while.

The project was started by the Scouting Association in 1990. Initially, the Scouts used an old house to store the bottles that they collected. Eventually, they built a box that was placed in a central place in Eastend, making it more convenient for people to drop their bottles off.

By about 1999, the Scouts folded and they asked Eastend Arts Council if they would like to take over this project and the EAC gladly did so. Eastend Arts Council used the funds that were raised from collecting recyclables that can be returned to SARCAN for cash, to raise funds to bring Missoula Children's Theatre to our community for 24 years. The depot was rebuilt in 2017 and has been situated in a few different spots in town over the years.

In the spring of 2024, Eastend Arts Council decided that they needed to turn the project over to another group and asked the Communities in Bloom group if they would be interested in managing the recycling fundraiser and they said yes.

Please remember to only put items that can be redeemed at Sarcana for money into the recycling bin. The purpose of the bin is not to collect just anything that can be recycled. It is intended to raise money for Communities in Bloom, a not for profit group, to raise funds. The bin is currently located in the Town Square.

Eastend Arts Council and the Scouting Association thank the community for past donations.

Communities in Bloom is grateful for current donations.
