WHITEMUD TALK HAS BIG TURNOUT

This past Sunday, the Activity Centre maxed out the room capacity with the huge crowd that showed up for Meagan Gilbert's talk about the history of the Whitemud Formation.

As expected, there was a lot of mud slinging. There were interesting facts about Whitemud slung left and right! Ba dum! Seriously, it was a great talk that was crowd participation-heavy by design. Meagan did a fantastic job of engaging the audience and keeping the conversation two-way until the end. Some of the things we learned; our area contains an abundant and unique fossil and geologic record, and this area was "recently" covered in sea water. We learned the Whitemud likely came from feldspar (*from Britannica.com: feldspar, any of a group of aluminosilicate minerals that contain calcium, sodium, or potassium. Feldspars make up more than half of Earth's crust, and professional literature about them constitutes a large percentage of the literature of mineralogy.*) that had minerals leached out causing the conversion from mud to clay. It's always interesting to imagine the history under our feet, to imagine the "Jurassic park" of dinosaurs that used to dominate this area and all the years of history in between (recent and prehistoric) that has lead us to where we are today. I consider John Schmitt's history talks in the same manner, all part of the same historical thread as Meagan's subject matter. Speaking of John's history, I'm sorry we're pausing the train journey this week and will pick it up next week.

YEAR'S GONE BY JAN - MARCH

This week we are blessed with Lorraine's Year's Gone By with a mega sized edition stretching from January to March in this issue. This issue's a keeper, Sharon!

Mobile Mammography Bus Coming To Shaunavon Next Week

Notes of Hope

C.S. LEWIS ON WHAT TO MAKE OF JESUS

"A man who was merely a man and said the sort of things Jesus said would not be a great moral teacher. He would either be a lunatic ... or else he would be the Devil of Hell. ... Either this man was, and is, the Son of God, or else a madman or something worse. You can shut him up for a fool, you can spit at him and kill him as a demon or you can fall at his feet and call him Lord and God, but let us not come with any patronizing nonsense about his being a great human teacher. He has not left that open to us."

You're always welcome! Sundays @ 11

1914 to 1980

YEARS GONE BY: Jan-March

BY LORRAINE ARMSTRONG / MARY THOMSON / ILSE UPSHER

110 Years Ago – 1915

East End Hospital is now receiving patients. The Hospital Board has hired Miss Pattison, of Chicago, as matron and Miss A. Johnston, of Saskatoon City Hospital, as assistant Staff Nurse. Dr. N.R. Stewart is the practicing physician and surgeon.

The Town Council thanks Mr. Strong for his donation of a bridge across the river in East End.

A new building is being erected on Centre St. next to Klein's Butcher Shop. Mr. A. W. Robinson will open the new building as a bakery and candy store.

The present population of East End is about 285.

The local train derailed two miles east of South Fork due to the buildup of ice and snow. The fireman was killed and the engineer was badly scalded, but no injuries in the passenger car. The wife of the deceased fireman has entered action against the CPR for damages in the amount of \$25,000.

Necessary repairs are to be made to the wagon bridge over the Frenchman River, west of town, to render it safe for traffic.

100 Years Ago – 1925

Mr. Jack Myers of Rochester purchased a 3 quarter section farm in the Stone district for \$30 an acre.

A fire of unknown origin destroyed the C.J. Staley Store, the post office, the Eagle Hotel and Howes Pool Room and Dance Hall in Vidora.

A case in the Orkney court charged and fined a resident \$200 for selling liquor.

90 Years Ago – 1935

Mrs. Maria Ghetti died at the home of her daughter, Mrs. George Vasseur, near Claydon. She was born in Italy in the late 1800's. Her brother, Adelmo Ghetti, was a gifted musician and played in a large symphony orchestra before royalty in Italy. In later years he organized a symphony in Eastend and gave music lessons. He could play several instruments, but in the orchestra he played the French horn, which is a very difficult instrument to play.

TransCanada air mail is expected to go into effect by 1936. Emergency landing fields are being built in Crow's Nest Pass, while 10 fields have been hewn out in the forests of Ontario.

Mr. L. Potter reported loss of 20 head of cattle due to contagious hemorrhagic septicemia or blood poisoning. He attributes the disease to the extreme cold weather.

Dr. Dixon of Govenlock inspected stock at the Bartlett ranch at Ravenscrag.

The 5th annual Ice Carnival at the open air rink was a huge success. Races were held with one of the races being a mile open race for men (12 Laps) with 9 entries and Lorne Dovell finishing in first place. Barrel jumping was a spectacular finish to the program with George Armstrong (Martin's brother) leaping over 5 barrels and Russell Fetter ending up in 2nd place after 4 barrels.

The R.M. of White Valley approved numerous relief applications for fuel, wheat, straw, food and clothing. Approval was given for 3 carloads of potatoes- one for Dollard, one for Frontier and

Years Gone By cont.

one for Eastend for domestic and seeding purposes.

At Ravenscrag, a number of horses have died during the winter from lack of feed. This is a serious problem for farmers with spring work starting soon and a scarcity of money to purchase more. The horses still alive are in poor condition and unable to tolerate hard work.

A large crowd gathered in Claydon to meet the relief agent in order to get fodder for their stock but left disappointed as none arrived.

80 Years Ago – 1945

Dr. J.V. Millions took up residence in Eastend occupying Dr. Burnham's office and living quarters above the Bank of Montreal with his wife and three children.

A shortage of new tires will likely increase due to the step-up in military tire production.

The Claydon Hotel is now storing it's summer supply of ice.

The clothing division of Canadian Aid to Russia fund is appealing to Canadians to help clothe over 10,000 orphans and 50,000 homeless in Russia.

George Thornewill (local vet) died unexpectedly at the age of 66 yrs. from double pneumonia. He came from England and was joined by his foster brother, Charles Holmes, settling in the Cloverly district. They were the first settlers there and named the district, Cloverly, after their old home in England. He later settled (1921) at Bear Creek on the Geo. Watson ranch for 10 years and then purchased a ranch in the Lowell district. At the time of his death he was wintering his stock on irrigated land belonging to Charles Holmes.

Glen Smith has nearly completed a course of operational training and expects to soon start a tour of operation. His choice of craft, a Mosquito, is made of Canadian plywood and is supposed to be the fastest the R.A.F. is using.

Lieut. James E. Lightfoot of Robsart, serving with the 175th U.S. Infantry, has been awarded the Bronze Star. After his commander was wounded during attack across the Vire River (Normandy campaign in France) Lightfoot took over and was successful in his mission.

70 Years Ago – 1955

The Eastend High School Drama club has competed at various festivals. The winners from Leader, Maple Creek and Eastend competed with the final winning play selected as Eastend's "The Marriage Proposal". The cast consisted of Carol Brown, Walter Pearson and Virgil Wethal directed by Mr. Al Bauche. At the Sask. High School Drama Festival in Regina, Carol Brown was chosen as the best actress and Walter Pearson as most promising actor.

Benjamin Rose, born in New York in 1868, passed away in Regina. He took training as a blacksmith and farrier before serving with Teddy Roosevelt's Roughriders in the Spanish-American War. He came to Montana and worked on a ranch often herding cattle into SW Sask. In 1901 he settled a few miles north west of Eastend where his log dwelling was used as a post office and a well known and popular place for settlers to gather when mail arrived from Maple Creek. In later years he lived in Eastend before moving into a nursing home in Regina.

Mrs. Ed Chatard returned to her home in Ravenscrag after spending the winter at her old home in France.

Years Gone By cont.

60 Years Ago – 1965

Initial steps toward paving, curbing, and storm drains were taken by Town Council at a special meeting. The Dept. of Highways is prepared to assume 75% of the cost of hard surfacing Center St.

In January the government weather at Graham Higgins registered a total of 36" of snow. The average winter snowfall for this district is 45".

A farewell party was held for Ruby Fowler and her mother, Mrs. Carlson (Granny) before their departure for their new home in Cranbrook. Mrs. Carlson was matron for the Jubilee Hospital for about 6 years in the early 30's. Mrs. Fowler was Eastend's faithful telephone operator.

Bob Rittinger and Oscar Salisbury left for Toledo, Ohio with three race horses to enter in the races there. They will return in May to enter the Winnipeg racing circuit.

50 Years Ago – 1975

Vic Goulet of Dollard has moved his house into Eastend on Front St.

A Rock and Roll Dance was held in Eastend with young musicians Bob McAtamney, Barry Lacey, Garth Helle, Henry Shufletoski and Ken Carson.

Mrs. Debbie Warminski, 21 yrs., lost her life after the car in which she was riding became lost in a blizzard near Hannah, Alberta.

Gabor Gall, age 47 yrs., died following a brief illness. He had moved to Eastend three years ago when he became the mechanic at the Eastend Co-op service Station.

A housewarming party was held for Ed and Marie Shiels wishing them many happy hours in their new home on the farm.

Kelly Wills has been selected to attend the Boy Scouts 14th World Jamboree in Norway in July.
